Item numbers refer to the original four entries, not verified quantities.

EQUIPMENT INVENTORY / ENGLISH

Reference translation of the expert inventory - original item order retained

No.	Equipment description	Model / specification	Condition
01	Programmable hydraulic paper cutting machine with display	DP5210	Good
02	Roll-type hot laminating machine	L388 1,800 W	Good
03	Multifunction colour printer, photocopier and scanner	Konica Minolta AccurioPrint C759	Good
04	Digital sticker and label cutting machine with paper feed	Not specified	Good

IMPORTANT SOURCE CLARIFICATION

The expert separately noted that a CANON printer was not found during inspection, and that another large roll-format digital printer was not listed in the seizure record. Neither of these is added to the four-item inventory above.
This English translation is for reference; the expert's Arabic list prevails.

Hydraulic paper cutting machine - DP5210

Roll laminating machine - L388

Multifunction printer - AccurioPrint C759

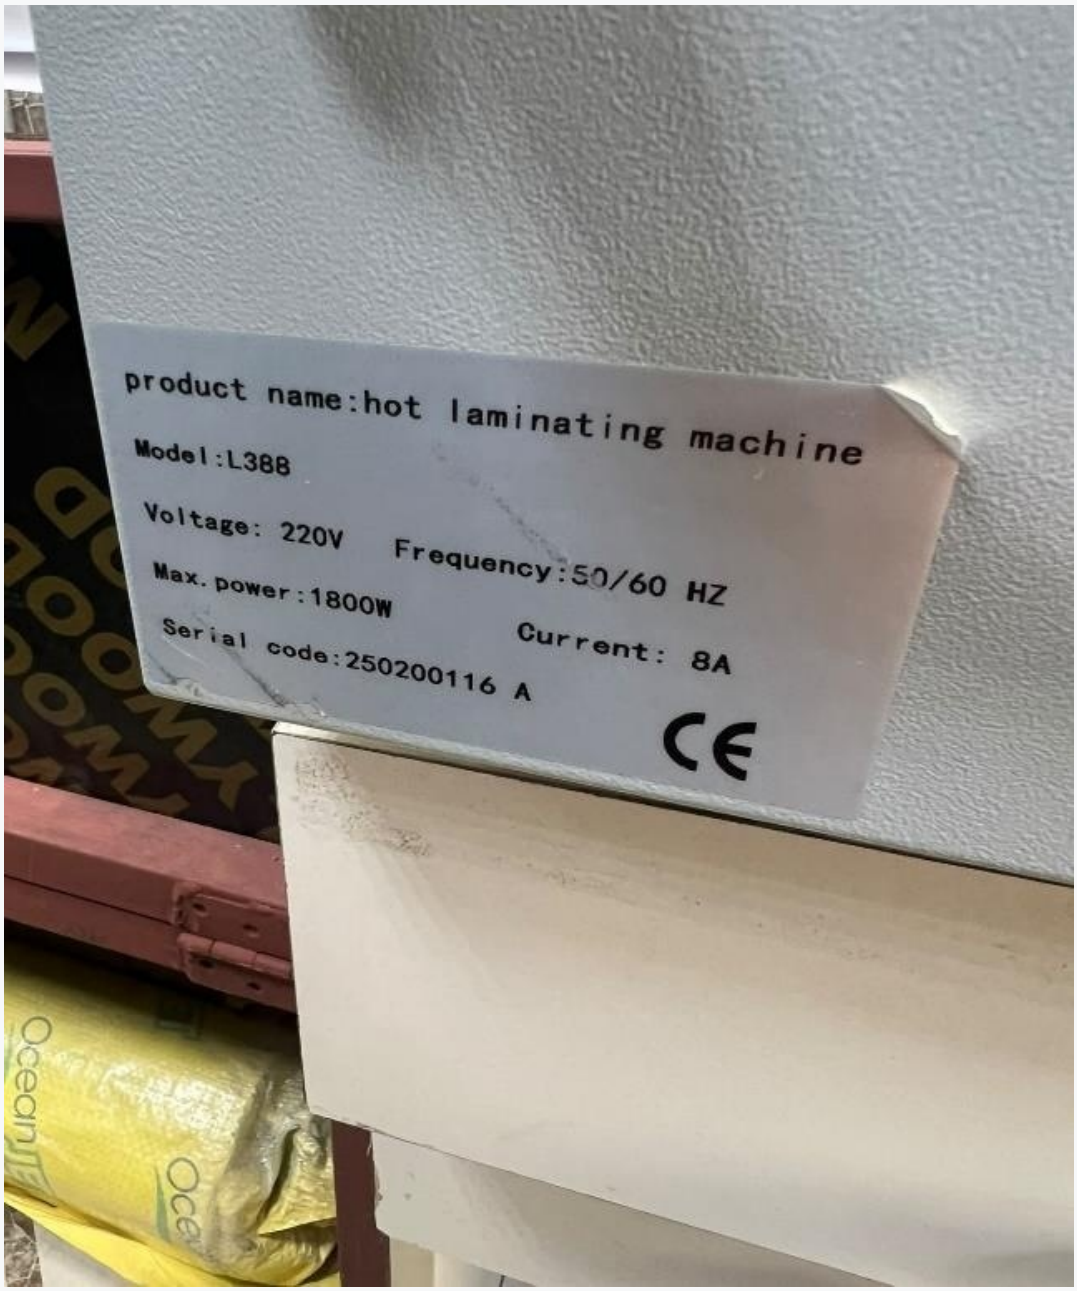

Multifunction printer - additional view

Digital cutting machine - overall view

Digital cutting machine - equipment detail

Roll laminator - model and specification label
